**Re: Bluewaters Community Development District
Parking Rules**

Dear Resident/Property Owner:

The Board of Supervisors of the Bluewaters Community Development District (the "District") has directed the undersigned, as District Manager, to inform you that Parking Rules, enclosed herein and made a part hereof as Exhibit "A", were adopted by the District during the Board of Supervisors Meeting held on August 4, 2014. As a result, parking of motor vehicles is **prohibited** on all District open space/landscape tracts (refer to Exhibit "B").

The District in an effort to protect District property and it's landscaping from damage caused by continual parking of motor vehicles from residents and guests, has installed "No Parking" and "Tow Away Zone" signs. Motor vehicles should be parked in authorized parking areas only.

This letter is being sent to all residential addresses in the Bluewaters community within the boundaries of the District. Vehicles that are in violation of the Parking Rules set forth in Exhibit "A", are subject to being towed at the vehicle owner's expense by a towing contractor approved by the District.

To avoid vehicle owner towing related fees, the District encourages residents, family members, guests, and visitors to abide by all Parking Rules. Should you have any questions regarding this information, please do not hesitate to contact me at 305-777-0761.

Sincerely,

Neil Kalin

District Manager
